

## Trainee Small Tooling Operative

EPS Services & Tooling Ltd, is looking to increase capacity in its busy Small Tooling department, based in Wiveliscombe. We are looking to employ a Trainee to help fulfil this objective.

We are looking for an individual, who possesses an interest in engineering, materials and tooling, and is keen to learn new skills. The successful candidate should consider themselves, adaptable and flexible, conscientious and have an interest in a varied workplace, due to the diversity of work undertaken in our small tooling department.

In return EPS Services will provide training to enable the successful candidate to undertake the following operations;

- Servicing and Sharpening of Varied Circular Saws, Ring Saws.
- Re-tipping of Carbide Circular Saws
- Servicing & tensioning of Inserted teeth Saws
- Sharpening of Guillotine blades, planer blades & profile cutters
- Sharpening of Router Cutters, chainsaws & mortice chain saws
- Manufacture & Servicing of Narrow Bandsaws

The training for this role may include a formal technical certificate via a training provider for the right candidate.

To apply for this role please forward your CV to Alan Adams via email [alan@eps-services.co.uk](mailto:alan@eps-services.co.uk).
