

Vacancy; Saw Doctor

Location; Kirkcaldy, Fife

EPS Services & Tooling manufacture and service wide bandsaws for timber mills in the UK and Ireland. EPS have three service centres; one in the South West of England (near Taunton, Somerset), one in the South East of England (near Chelmsford) and another facility in Scotland (Kirkcaldy in Fife)

For further details about the company please go to our website at www.eps-services.co.uk

Due to continued growth from our Kirkcaldy service centre, along with growing customer demand for our services, we are looking to recruit an additional Saw Doctor at this facility.

Experience Required;

- Applicants should have the experience to level and tension bandsaws.
- They should have the welding skills to be able to repair bandsaws with TIG equipment.
- Experience of operating CNC saw sharpening machinery would be an advantage.

Further training, if required, will be provided by the company on appointment to the position

Salary; Based on experience

Additional support for relocation to Fife will be considered

To apply for this position please send an email (with your CV) to Steve Goodlad at steve@eps-services.co.uk
