

## Trainee Workshop Operative / Production Operative

📍 Wiveliscombe (near Taunton, Wellington, Tiverton)

🕒 Full-time | Monday–Friday

Due to continuous increased growth within our business, EPS Services & Tooling Ltd are looking for a **hands-on Trainee Workshop Operative/production operative** to join our growing engineering team.

We are the UK's largest manufacturer of bandsaw blades, offering **full training in a specialist, globally recognised trade**. This is a great opportunity to build a long-term career — not just a job.

### What you'll do:

- Work in a busy workshop environment
- Learn to use precision tools and machinery
- Manufacture, sharpen, and repair industrial saws
- Produce high-quality products for customers worldwide

### What we're looking for:

- Practical, hands-on individual
- Reliable, punctual, and willing to learn
- Team player with a positive attitude
- Own transport required (rural location)

### What we offer:

- Full training
- Career progression opportunities
- Monday–Friday (no weekends)
- Overtime available
- Pension + Death in Service (up to £50,000)
- Free parking, tea & coffee

Train to become a **“Saw Doctor”** — a skilled trade in demand worldwide.
